The mission of the THA is:

1. To promote adequate and affordable housing, economic opportunity and a suitable living environment without discrimination for low-income, very low-income families, persons with disabilities or the elderly.
2. To provide quality, affordable housing and human resources for a special clientele that will promote self-sufficiency, as well as, to protect and serve the people of the community.
3. A top-performing agency that provides quality and affordable housing; contributing to safe communities and encouraging individuals to become self-sufficient.

Providing decent, safe and affordable housing in your community.

Ensuring equal opportunity in housing for everyone.

Promoting self-sufficiency and asset development of financially disadvantaged families and individuals.

Improving community quality of life and economic vitality.

The THA's financial resources include an operating fund, capital fund and dwelling rental income which will be used to operate the agency in the most cost effective means possible and still provide the services and activities for its residents.

Required Attachment A Deconcentration Policy

Adopted: June 3, 1999

Effective June 3, 1999

Deconcentration Policy

It is the policy of the Thomasville Housing Authority (THA) to house families in a manner that will prevent a concentration of poverty families and/or concentration of higher income families in any one development. The specific objective of the THA is to house no less than 40% of its THA inventory with families that have income at or below 30% of the area median income by public housing development. Also, the THA will take actions to insure that no individual development has a concentration of higher income families in one or more of the developments. To insure that the THA does not concentrate families with higher income levels, it is the goal of the THA not to house more than 60% of its units in any one development with families whose income exceeds 30% of the area median income. The THA will track the status of family income, by development, on a monthly basis by utilizing income reports generated by the THA's computer system.

To accomplish the deconcentration goals the THA will take the following actions:

- A. At the beginning of each fiscal year, the THA will establish a goal for housing 40% of its new admissions with families whose incomes are at or below the area median income. The annual goal will be calculated by taking 40% of the total number of move-ins from the previous fiscal year.
- B. To accomplish the goals of:
 - 1. Housing not less than 40% of its inventory on an annual basis with families that have incomes at or below 30% of area median income; and
 - 2. Not housing families with incomes that exceed 30% of the area median income in developments that have 60% or more of the total household living in the development with incomes that exceed 30% of the area median income, the THA's Tenant Selection and Assignment Plan which is a part of this policy, provides for the utilization of "Local Preferences" in regards to the selection of applicants to meet the priorities of the policy.

Attachment G: Progress in meeting the 5-Year Plan Mission and Goals

The PHA has been able to maintain its mission to promote adequate and affordable housing, economic opportunity and a suitable living environment free from discrimination through the utilization of previous Capital funds and the proper application of our public housing policies.

We are continuing to address public housing vacancies very aggressively and our PHAS scores indicate that other operational issues are being positively addressed.

Capital funds have been utilized to provide modernization of our property and our FY 2004 application will continue that effort.

PHA has implemented local preferences to improve the living environment in addition to our modernization efforts.

The implementation of a family pet policy has provided the opportunity for residents to enjoy pets within a regulated environment. In addition, PHA re-implemented a Community Service program that has been discussed with residents and each adult member of every household.

We are confident that the PHA will be able to continue to meet and accommodate all our goals and objectives for FY 2004.

| Cats | Cats must be spayed or neutered and be declawed or have scratching post, and should not exceed 15 pounds. |

| Reptiles | Reptiles other than turtles or small lizards such as chameleons are not considered common household pets. |
| Exotic pets | At no time will the THA approve of exotic pets, such as snakes, monkeys, game pets, etc. |
2. No more than one dog or cat shall be permitted in a household. In the case of birds, a maximum of two birds may be permitted. There shall be no limit as to the number of fish, but no more than one aquarium with a maximum capacity of 20 gallons shall be permitted. A resident with a dog or cat may also have other categories of "common household pets" as defined above.
 3. Pets other than a dog or cat shall be confined to an appropriate cage or container. Such a pet may be removed from its cage while inside the owner's apartment for the purpose of handling, but shall not generally be unrestrained.
 4. Only one dog or cat is allowed per household. **NO PIT BULLS WILL BE PERMITTED.** All dogs and cats will need to be on a leash, tied up, or otherwise restrained when they are outside. Neither dogs nor cats shall be permitted to run loose.
 5. Pet owners shall maintain their pet in such a manner as to prevent any damage to their unit, yard or common areas of the community in which they live. The animal shall be maintained so as not to be a nuisance or a threat to the health or safety of neighbors, THA employees, or the public, by reason of noise, unpleasant odors or other objectionable situations.
 6. Each pet owner shall be fully responsible for the care of the pet, including proper disposal of pet wastes in a safe and sanitary manner. Specific instructions for pet waste shall be available in the

Attachment J: PHA's Policy on Pet Ownership in Public Housing Family Developments

management office. Improper disposal of pet waste is a lease violation and may be grounds for termination.

7. All pets shall be inoculated and licensed in accordance with applicable state and local laws. All cats or dogs shall be neutered or spayed, unless a veterinarian certifies that the spaying or neutering would be inappropriate or unnecessary (because of health, age, etc.)
8. Visiting pets may be allowed as long as they generally conform to the guidelines expressed in this policy, except that: no additional pet deposit shall be required of the resident with whom the pet is visiting (unless the visit is in excess of 72 hours) and 2 verified complaints shall be grounds for excluding the pet from further visits.
9. All pets shall be registered with the Management Office immediately or no longer than ten (10) days following their introduction to the community. Registration shall consist of providing:
 - a. Basic information about the pet (type, age, description, name, etc.)
 - b. Proof of inoculation and licensing.
 - c. Proof of neutering or spaying. All female dogs over the age of six (6) months and female cats over the age of five (5) months must be spayed. All male dogs over the age of eight (8) months and all male cats over the age of ten (10) months must be neutered. If health problems prevent such spaying or neutering, a veterinarian's certificate will be necessary to allow the pet to become or continue to be a resident of the community.
 - d. Payment of a pet deposit of \$100.00 to \$150.00 (to be paid in full, or over a period of time not to exceed six (6) months, in case of hardship) to defray cost of potential damage done by the pet to the unit or to common areas of the community. There shall be no pet deposit for pets other than dogs or cats. The pet deposit shall not preclude charges to a resident for repair of damages done on an ongoing basis by a pet. The resident is responsible for all damages caused by the pet and will reimburse the Authority for all costs it incurs in repairing such damages. This deposit is refundable if no damage is identified at the move-out inspection.
 - e. If a resident cannot care for their pet due to an illness, absence, or death, and no other person can be found to care for the pet, after 24-hours have elapsed, the tenant hereby gives permission for the pet to be released to the Humane Society/Animal Control, in accordance with their procedures. In no case shall the THA incur any costs or liability for the care of a pet placed in the care of another individual or agency under this procedure.

Provide the name, address and phone number of one or more persons who will care for the pet if you are unable to do so. This information will be updated annually.
10. Any litigation resulting from actions by pets shall be the sole responsibility of the pet owner. The pet owner agrees to indemnify and hold harmless the THA from all claims, causes of action damages or expenses, including attorney's fees, resulting from the action or the activities of his or her pet.
